|----------------------|---|
| Product Name | Anti-Methicillin Resistant <i>Staphylococcus aureus</i> antibody [2F6C] |
| Description | Mouse monoclonal antibody to Methicillin Resistant <i>Staphylococcus aureus</i> |
| Specificity | Recognizes PBP2a of the MRSA gene expressed by methicillin-resistant <i>Staphylococcus aureus</i> . |
| Host | Mouse |
| Form | Liquid |
| Ig isotype | IgG1 |
| Clone | MRSA 2F6C |
| Purification | Protein G agarose purified |
| Concentration | 100 µg/µl |
| Volume | 100 µl |
| Storage | PBS with 50% Glycerol, -20°C |
| Result |  |
